

HOME ASSIGNMENT

CLASS – VII

Chapter-7 HOTS (HW – 36)

HOTS

1. Study the given image and answer the questions that follow.

- a) Identify any eight tags (formatting and structural tags) that have been used to create the page.
- b) Name the attributes of the tags identified in the above question.
2. Consider the following HTML code.
- ```
<H2> <I> My school is the best </I> </H2>
```
- Describe the manner in which the text would be displayed in the browser window.
3. Riya is fond of green colour. She likes the "Calibri" font. Help her write HTML code to display her name in "Calibri" style in colour green.

**SOLVE THE ABOVE QUESTIONS IN YOUR COPY.  
(Refer Page No. 113 of your Computer book)**
