5.How do a Weaver's family work together to make a cloth from a thread?

---- They follow the following steps to make a cloth from a thread :

I) They bring bundles of thread from Pochampalli town.

ii) They put these into boiling water to wash away the dirt and strains.

iii) Then everybody works to dye the thread with bright colours.

iv) These threads are then dried and rolled into bundles.

v) These bundles are put onto looms and the cloth is woven.

6. Why do looms need many needles?

-----According to the design

7. How do the weavers decide the size and numbers of needles?

-----**Do yourself**
