# Ch14:Rupees And Paise

Maths Copy 2

Date: 15/11/21

WS:78

What do you see in this picture?

We see that to buy anything we need money.

## Difference between money and currency

Money represents the actual value of goods and services.

Ex: To buy chocolate we need money

Currency is a medium of exchange for goods and services. In short, it's money, in the form of paper or coins usually issued by a government as a method of payment.

Ex: Cost of chocolate is Rs. 10 .

# Currencies of different countries
