

HOME ASSIGNMENT

Class VII-Chapter-2 Practice Zone (HW-6)

Practice Zone

Consider the given worksheet data. Write commands for the following based on the data given in the worksheet.

1. Calculate the total points for each house.
2. Calculate maximum, minimum and average points for the different events.

	A	B	C	D	E	F	G
1	Sunshine School						
2	House Points Tally						
3	House Name	Number of Points					Total Points
4		Dance	Music	Dramatics	Art	Discipline	
5	<i>Peace</i>	13	16	18	6	15	
6	<i>Faith</i>	18	14	5	4	12	
7	<i>Compassion</i>	15	12	8	8	6	
8	<i>Honesty</i>	10	7	19	9	17	
9	Average Points Scored						
10	Maximum Points Scored						
11	Minimum Points Scored						

Solve the above questions 1 & 2 in your copy. Also create the worksheet and calculate using formulas in your computer for practical learning.
