

## ACTIVE AND PASSIVE VOICE

The primary auxiliary verbs **do, does or did** does not appear in the passive form.

The verbs **has, have, had, will, shall, can, may** etc., do not change their position at the beginning of the sentence when the active voice is changed to the passive voice.

The question words **when, why, where, how or what** does not change their position at the beginning of the sentence when the active voice is changed into the passive voice. Note that **who** changes to **by whom** and **whom** into **who**.

2. Can anybody cure it?
