

HOME ASSIGNMENT (03-06-2020)

Ch-3-Practice Zone (HW-9)

Practice Zone

State whether True or False.

1. The picture that appears on the desktop is also known as the wallpaper.
2. When you apply a Theme, only the desktop background gets changed.
3. This PC icon cannot be displayed on the desktop.
4. The Lock screen just displays a picture with no additional information.
5. Themes are available online.
