- d. faster

Answer-5

a. Taro was a woodcutter. He used to cut, chop and sell woods to the villagers and nearby market.

b. Taro was an honest and hard-working young man. His main aim was to keep his parents happy and provide them a healthy lifestyle. He was emotional too, he felt guilty and bad about the situation of his parents. The price of the wood was very low. He could not make enough money, so he decides to work harder for his parents.

c. The story of Taro and magic waterfall reached the Emperor and he rewarded Taro for being so good and kind towards his parents and everyone in the village.
