

**H.w ( solution)**

**Q.A ans. → 2**

**Q.B ans. →4**

**Q.C ans. → The alphabets which have one line of symmetry**

**Are:- A,B,C,D,E,K,M,T,U,V,W,Y.**

**Q.D ans. → Diagonal line of symmetry.**

**Q.E ans. →No line of symmetry.**

**One , vertical line of symmetry.**

**Two, Horizontal line of symmetry and vertical line of symmetry.**
