

WORKSHEET ON BUILDING WITH BRICKS

- 1. Write two examples of a sphere.**
- 2. How many flat faces, edges and vertices does a cube have?**
- 3. Draw a neat diagram of a cylinder.**
- 4. Write two examples of the cuboidal shape in our daily life.**
- 5. Draw a neat diagram of a cone.**

Please note that students you must go through the video I have uploaded on YouTube 'Fun Facts of 3D shape' and then only solve the given worksheet.
