

## CASE STUDY

**Read the following passage and choose the correct alternative from the questions given below:**

As a child, he did not have interest in cricket but he was an ardent fan of several sports. **Mahendra Singh Dhoni** is a humble boy from Ranchi who entered the world in the year 1981. Dhoni studied at DAV Jawahar Vidya Mandir, Shyamali, Ranchi. He was a great fan of football and badminton but he developed a keen interest in cricket. His father was a pump operator and once Mahendra got the job at the railways, he was deeply satisfied. However, Mahendra had bigger dreams and he wanted to pursue cricket as his career. He loved the sport and he wanted to chase his passion. He is a wonderful human, who was always up for absorbing new learning from his peers. He never hesitates to appreciate the outstanding work of others. He never lost hope and put in extra effort to fulfill his dream. The turning point of MS Dhoni's life was when he decided that he wanted to pursue cricket as his career. He left his job of Indian Railways and concentrated on improving his skills as a cricketer. MS Dhoni has been an asset in the Indian cricket team and he has a fan following across the world. When he is in a room full of people, his presence is felt and he is a humble man. He is the man, who never hesitates to improvise. On field, he is popularly known as 'Captain Cool'.
