EVS CLASS V

ACTIVITY

Chapter – 11, Sunita in space

Topic – SPACE SHUTTLE MAKING

Make a model of space shuttle. You can take help from the demonstration video, the link of which is already uploaded in the school website.

Or

You can use your own creativity and innovation to make the space shuttle model.

Write the following in your EVS Activity copy :-

STEPS OF SPACE SHUTTLE MAKING:-

- CUT THE CARDBOARD IN SPECIFIC SHAPES AS DEMONSTRATION SHOWN IN THE VIDEO OF SPACE SHUTTLE MAKING
- ATTACH OR PASTE THE PIECES OF CARDBOARD WITH ONE ANOTHER AFTER MARKING THEM
- PUT ALL THE PIECES TOGETHER TO MAKE THE SHAPE OF A SPACE SHUTTLE

- YOU CAN COLOUR THE SPACE SHUTTLE THAT YOU MADE OR YOU CAN ALSO ADD DESIGNS OF YOUR CHOICE
