Hundred of years ago, England was ruled by a king called Uther Pendragon. The king, who was friend and protector to all his people was fair to everyone. The people of Britain lived in peace and happiness, tending their flocks and tilling their fields. The king Pendragon had married the beautiful lady Igraine and had a son. This child was the heir to the royal throne. The king and the queen died soon after the baby boy was born. It was a difficult time. Many of the king's opponents were looking to cease the throne. King Uther Pendragon had two wise counsellors--- Merlin, a prophet and a magician and the brave knight, Sir Ulfins. They were greatly trusted by the royal family.
