(HW-25)

HOTS

Given the following document, answer the questions that follow.

A

ASSUME RESPONSIBILITY

We often blame other people and situations for the problems in our life. "I got less marks because my mother didn't help me in my studies", "I was unable to complete this work because I had gone for a marriage"

Unless we assume responsibility for our life, We'll always be at the mercy of circumstances.

Remember:

- Instead of blaming others for what's wrong in our life, focus on what we can do to make things better.
- Never feel sorry for yourself too often.
- It's our responsibility to make ourselves happy; nobody else's.
